Professional results

with cool zone system

This sleek, stainless steel deep-fat fryer delivers professional results with a unique coolzone system that prevents food particles from burning and keeps the oil cleaner for longer. All parts except the control panel are dishwashable.

Cool zone system for cleaner, longer-lasting oil
- Prevents burnt food particles for cleaner and tastier frying

Quick and easy cleaning
- All parts except the control panel are dishwashable

Easy to experience
- The dishwashable filter reduces unwanted frying smells
- The viewing window enables checking your food during frying
- The collapsible frying basket is easy to store

Safe to use
- On/off switch for additional safety

Easy oil removal
- Removable inner bowl for easy oil pouring
